Date: _____

INFORMED CONSENT

I authorize Dr. Holt and or such associates or assistants as he may designate to perform those procedures as may be deemed necessary or advisable to maintain my dental health of any minor or other individual for which I have responsibility, including arrangement and/or administration of any sedative (including nitrous oxide), analgesic, therapeutic, and/or other pharmaceutical agent(s), including those related to restorative, palliative, therapeutic or surgical treatments.

I understand that the administration of local anesthetic may cause an untoward reaction or side effects, which may include, but are not limited to bruising, hematoma, cardiac stimulation, temporary or rarely, permanent numbness, and muscle soreness. I understand that occasionally needles break and may require surgical retrieval.

I understand that as part of dental treatment, including preventive procedures such as cleanings and basic dentistry, including fillings of all types, teeth may remain sensitive or even possibly quite painful, both during and after completion of treatment. Gums and surrounding tissues may also be sensitive or painful during and/or after treatment.

I do voluntarily assume any all possible risks, including the risk of substantial and serious harm, if any, which may be associated with general preventive and operative treatment procedures in hopes of obtaining the potential desired results, which may or may not be achieved, for my benefit or for the benefit of my minor child or ward. I acknowledge that the nature and purpose of the foregoing procedures have been explained to me if necessary and I have been given the opportunity to ask questions.

AUTHORIZATION AND RELEASE

I authorize the dentist to release information including the diagnosis and the records of any treatment or examination rendered to me during the period of such dental care to third party payers and/or other health practitioners.

I authorize and request my insurance company to pay directly to the dentist or dental group insurance benefits otherwise payable to me. I understand that my dental insurance carrier may pay less than the actual bill for services. I agree to be responsible for payment of all services rendered on my behalf or my dependents behalf.

I certify that I have answered all questions on both sides of this form accurately and to the best of my knowledge. I hereby do abide by the conditions outlined here in.
